TADCASTER PARISH REGISTERS

VOLUME 4

INTRODUCTION

Borthwick Institute Reference No: PR TAD 4

Volume 4 of the Tadcaster Parish Registers consists of 48 vellum leaves (or folios) bound together in leather covered boards. The entries begin in August 1689 (the last entry in volume 3 being in May 1689) and continue to March 1716. At the end of the volume there are three entries relating to the METCALFE family for 1723-1724 and a list of still births from 1698/9 to 1733. The entries are in fairly regular chronological order and there are no appreciable gaps in the series to March 1716.

The incumbents during the period covered by this volume were*:

John GREENFIELD - instituted 16 September 1684 - B.A. (Cantab.)
- buried 4 October 1702.

Nicholas GYRLING - instituted 23 May 1703 - B.A. (Cantab.)
Master of the Grammar School.
Became rector of Newton Kyme in 1725.

The handwriting changes twice, at the end of John GREENFIELD's incumbency in 1702 and in 1711, and it now becomes possible that entries were being made soon after the events to which they refer. The random order of types of entry is continued.

There are a few marriages with a licence but without lists of witnesses and the recording of the reading of banns occurs only twice. There are two private baptisms and two adult baptisms (one of which is the baptism of a former Quaker). There are only three Quaker burials.

Parish Register Transcripts exist for the following years within the scope of this volume of the Register:

1690/1, 1692/3, 1695/6, 1696/7, 1697/8, 1700/1, 1701/2, 1702/3,
1705/6, 1707/8, 1708/9, 1709/10, 1710/11, 1711/12, 1712/13, 1714/15.

The entries in these Transcripts are incorporated with the Register entries as in the earlier volumes.

*See G.E. Kirk - Guide to St. Mary's Church, Tadcaster - 1939

Among the miscellaneous information and comment, which is very sparse, may be found the following:

Three pew registrations, viz:

12 May 1694: A pew erected by William SOLKILD adjacent to the font.

? 1708: A pew erected by ? MOUNTAIN near the south door.

? ? : Note that Robert THOMSON, Thomas WALLER and John FAWCET, all of Catterton, had a pew next to Sir Walter VAVASOUR's.

The burial on 3 January 1696/7 of John THOMPSON "who was accidentally drowned in a Tan Pit".

The baptism and burial on 19 April 1698 of triplet sons of Henry LAZENBY.

The burial on 4 October 1702 of John GREENFIELD, vicar, "in the South Quire of Tadcaster church".

The burial on 23 September 1707 of "The Judge's servant dying suddenly here".

The burial on 13 May 1710 of Robert MORLEY "the grand Oliverian".
